Who...is it?

귀찮게...

Hello, sir! My name is Lee Borm and I am Ga-Ul's friend-wannabe!

Is Ga-Ul at home ?!

응?!

꾸벅

Ga-Ul, your friend is here.

Friend ?

Can't be. No one knows the address yet...

Yo, heya. Wanna go to school together?

So ...

What happened after? Though I think I know.

I didn't think a door would be able to make such loud sound.

That...his to hurt.

Pass !

Unmarked!

Go! Go!

Why me ?! Why ?! He talks to you who has lost what it means to be a human but he refuses me ?! Was what I did so wrong ?!

I AM here, you know. And what did you do ?

N... Nothing !

Well..., whatever.

Shoot !

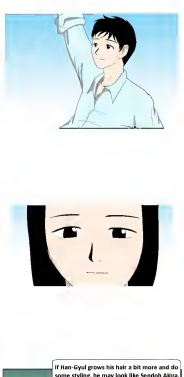
Borm, I don't know why you want to hastle the guy so much.

He says he doesn't like you. Give him and yourself a break.

Nice !

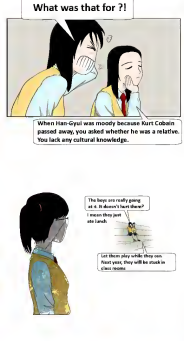
And try to treat those around and close to you better.
We get to live only once. You don't have to take crap from others. Our lives are too short for that.

Look around ... There are plenty of good guys around you.



If Han-Gyul grows his hair a bit more and do some styling, he may look like Sendoh Akira.

Sendoh Akira ?



Quit reading those weird books and follow the trend, girl.

Ack !

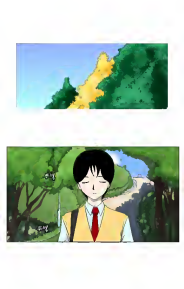
What was that for ?!

When Han-Gyul was moody because Kurt Cobain passed away, you asked whether he was a relative. You lack any cultural knowledge.

The boys are really going at it. It doesn't hurt them?

I mean they just ate lunch.

Let them play while they can. Next year, they will be stuck in class mostly.



Oh, you use this road as well? I sometimes take this path.

This road is nice but boring. If you use the other road, there is a good eatery place. Why don't we go there some time!

About our English teacher, he sometimes do sudden and random vocabulary tests. If you do bad at it, he will whip your sole! And it does really hurt !

And another teacher to watch out is ...

Why are you walking alongside me ?!

Because you told you didn't like someone walking behind you...

Right ?
